Co-Presidents

- We will be having a winter dance (name to follow) on February 10th. Homecoming dance was a success and we hope this will be too! We will work with the Senior advisor for this event in hopes that this will offset costs for After Prom and Prom tickets.
- We will send out a google form to seniors to see if FunPlex after prom would be something they would be interested in attending. Since buses to and from FunPlex are a big expense, we want to make sure that there is a big enough interest from seniors before moving forward with plans.
- The Medium fundraiser was a success! We raised \$1,250. 50 tickets sold in less than 5 days. We will have another Medium event in the near future.
- Dining Out nights:
  - Chickie & Petes fundraiser raised \$166
  - 5 Below fundraiser will run from December 17th to the 24th. You must present flyer at time of purchase.
  - Moe;s will be 1/18/23
  - Red Robin will be 2/28/23
  - Friendly's will be 3/30

- Paint night at Killarney's was a success
- Skyzone fundraiser will be canceled (not enough interest shown)
- The google sheet for Tricky Tray donations was been created. It will be shared with everyone. We need a push for donations in January. Wrapping of prizes will begin in February.
- Our next meeting will be January 17th.

Meeting adjourned at 8:06 pm by LK
