

Hello,

We are excited to announce Steinert's Annual Craft & Vendor Fair will be hosted by the After Prom Committee.

This year the annual Steinert Craft & Vendor Fair will be held on Saturday, November 5, 2022 from 9am-3pm.

Please see the attached Steinert High School Craft Show Vendor Reservation Request Form. The price to reserve each space is \$40.00 and tables are available by request. If you have any special requests such as use of an electrical outlet or placement near an entry or exit door or any other need, be sure to fill out the Special Request section on the form. We will do our best to accommodate everyone, but requests are NOT guaranteed.

We are once again not accepting duplicate vendors from the same company. This is to ensure each vendor does not have direct competition and that our shoppers have variety of vendors to choose from. We have a first come, first served policy so please send in your completed vendor reservation form along with payment as soon as possible to secure your space. Duplicate vendor requests will be declined and payment will be returned.

Since you are a vendor from previous year's you are receiving this form one week prior to any new vendors. We suggest returning the form with your payment ASAP in order to secure your spot for this year!

If you have any questions, please feel free to email us at SteinertFundraising@gmail.com. We hope to see you again this year!

Please use the Yardville-Hamilton Square Road entrance (in the rear of the school). Setup begins no earlier than 7:00am.

Warmest Regards,
Steinert High School After Prom Association
